We hereby certify that the material supplied by Rolled Alloys on the above referenced purchase order was processed in accordance with the quality assurance program and procedures approved under our ISO 9001:2008/AS9100C certificate. The material was produced in compliance with the following revisions of our Quality Manual: Rev. C 6/18/18, Rev. B 5/23/18, Rev. A 3/1/18, 3/28/15 (no letter), 3/7/14 (no letter), 1/22/14 (no letter), and 12/3/11 (no letter). Our records indicate that the material and test report(s) meet the requirements of EN 10204 for a Type 3.1 inspection certificate, and meet the requirements of the purchase order and applicable specifications. Required documentation is on file, and is available for review upon request. The recording of false, fictitious or fraudulent statements or entries on this document may be punishable as a felony under federal statute. Unless otherwise specified, the materials supplied with this order did not come into known contact with mercury or other low melting point elements, radioactive materials, Polychlorinated Biphenyls (PCBs), nor undergo any weld repairs while under Rolled Alloys possession. Rolled Alloys complies with the applicable requirements of the 2010 Dodd-Frank Wall Street Reform and Consumer Protection Act, concerning Conflict Minerals. When applicable, Rolled Alloys complies with the requirements of AS6279 Standard Practice for Production, Distribution, and Procurement of Metal Stock. Products supplied by Rolled Alloys are compliant with EU Directive 2011/65/EU (RoHS2). These articles have no intended release as outlined in the European Chemical Agency's 'Guidance on requirements for substances in articles' (RIP 3.8), and there is no obligation to register them under REACH. Safety Data Sheets (SDS), formerly known as Material Safety Data Sheets (MSDS), are available at [www.RolledAlloys.com](http://www.RolledAlloys.com). Products supplied by Rolled Alloys do not contain any significant amounts (does not exceed 0.1 Wt%) of the chemical compounds on the EU Candidate List of Substances of Very High Concern (SVHC).
